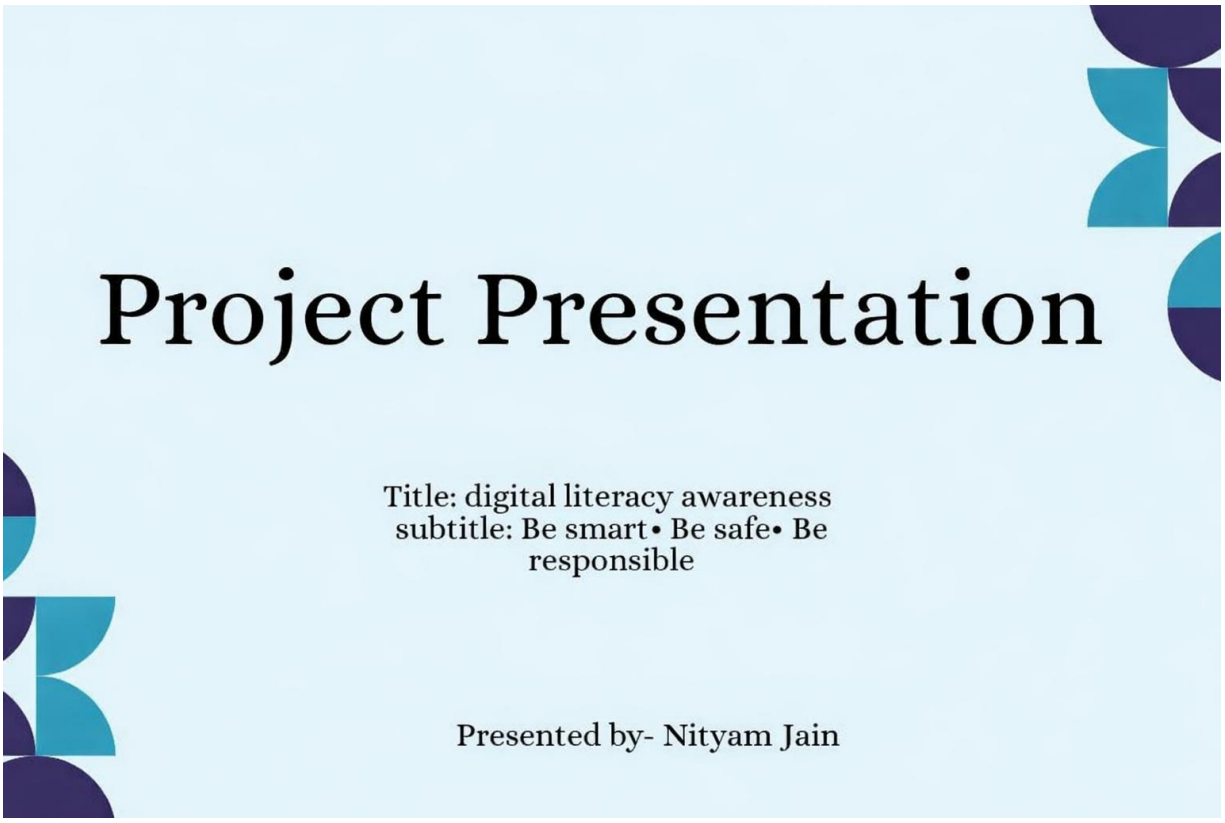
TASK 1 — DIGITAL LITERACY PRESENTATION

Objective of Task

The aim of this task was to create an awareness presentation to help students understand digital literacy and responsible internet usage.



What is Digital Literacy?

Content:
Digital literacy means the ability to use technology and the internet safely, effectively and responsibly.

It includes:

- Using digital devices
- Searching information online
- Communicating safely

Why Digital Literacy is Important

Content:
Digital literacy helps students to:

✓ Learn safely online
✓ Avoid cybercrime
✓ Communicate professionally
✓ Build career opportunities
✓ Use technology responsibly

Example:
Online classes, internships, and jobs all require digital skills.

Digital Footprint

Heading: Your Online Identity

Content:
A digital footprint is the record of everything you do online.

Examples:

- Social media posts
- Comments and likes
- Photos and videos
- Websites visited

⚠ Employers often check social media before hiring!

Message:
Think Before You Post.

Online Privacy & Security

Heading: Protect Your Personal Data

Never Share:

- Passwords
- OTP
- Bank details
- Personal documents

Safety Tips:
✔ Use strong passwords
✔ Enable 2-factor authentication
✔ Avoid public Wi-Fi for banking

Cyberbullying Awareness

Heading: Stop Online Harassment

Cyberbullying includes:

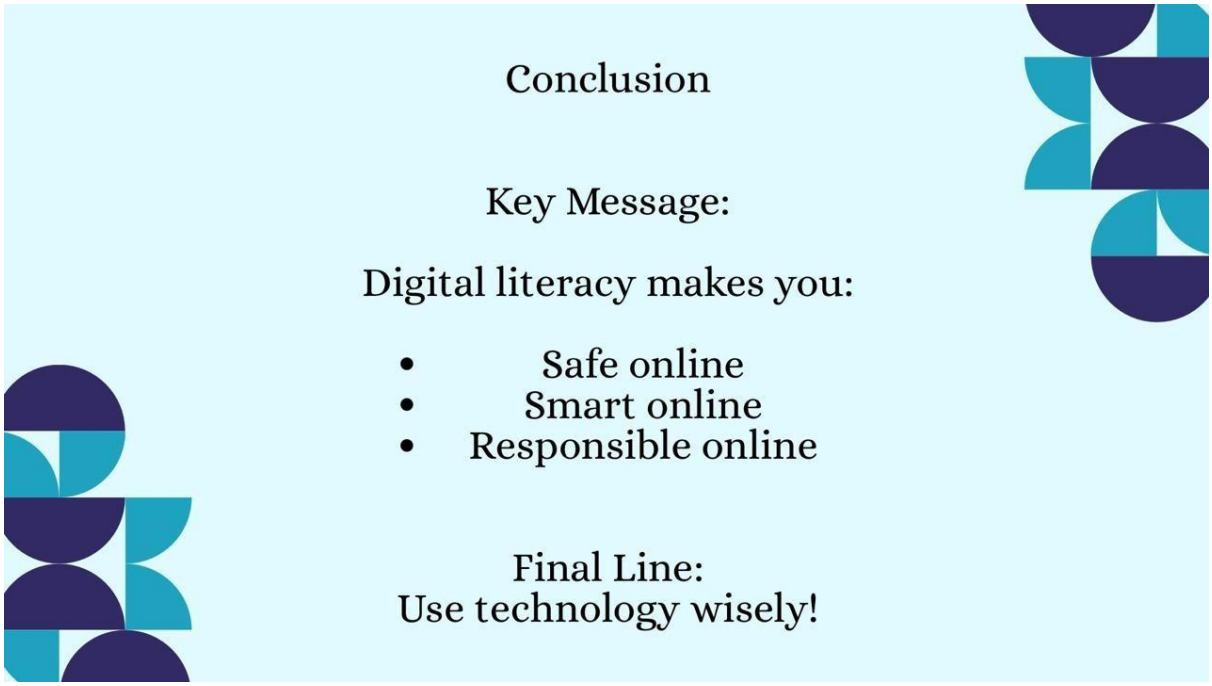
- Sending threatening messages
- Spreading rumors
- Posting embarrassing photos

What to Do:
✓ Block the user
✓ Report the account
✓ Inform parents/teachers

Responsible Social Media Use

Do's:
✓ Verify news before sharing
✓ Respect others
✓ Maintain positive online image

Don'ts:
✗ Share fake news
✗ Post offensive content
✗ Overshare personal life



Tools Used

The presentation was designed using Canva to create visually appealing slides and spread awareness about digital literacy among students.

Creating this presentation helped me understand the importance of digital literacy and online safety. I learned how students can protect their personal data and behave responsibly on social media. This task also improved my research and presentation skills.
